Honorable Commissioner for Patents  
PO Box 1450  
Alexandria, VA 22313-1450

Sir:

We, Bertrand Gruau and Herve Zakrzewski, do hereby  
declare as follows:

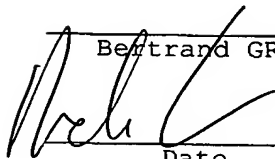

We are the named inventors of the above-identified patent  
application.

Together with Michel Bosshardt, we are named inventors on  
US Patent No. 7,037,456, cited in the Office Action mailed  
March 18, 2009 in the above-identified patent application.

To the extent that the cited US Patent No. 7,037,456  
discloses but does not claim the subject matter claimed in the  
above-identified patent application, that subject matter was  
invented by us, and does not therefore qualify as an invention  
"by another," as set forth in 35 USC 102(e).

We further state that all statements made herein of our  
own knowledge are true, all statements made herein on  
information and belief are believed to be true, and further,

that these statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and may jeopardize the validity of this application or any patent issuing thereon.
